GILBERT TOYS present

ADVENTURES in SCIENCE

THE A. C. GILBERT COMPANY, New Haven 6, Conn.

Dear Boys and Girls,

Never before in the history of our nation have there been so many opportunities and rewards offered to young men and women who are trained scientists.

Engineers, chemists, doctors, biologists, botanists, physicists, astronomers---these and many more such professionals are working on projects of great importance to our future and the future of the entire free world.

There are literally thousands upon thousands of scientists today who became interested in their careers years ago through a Gilbert Science Set.

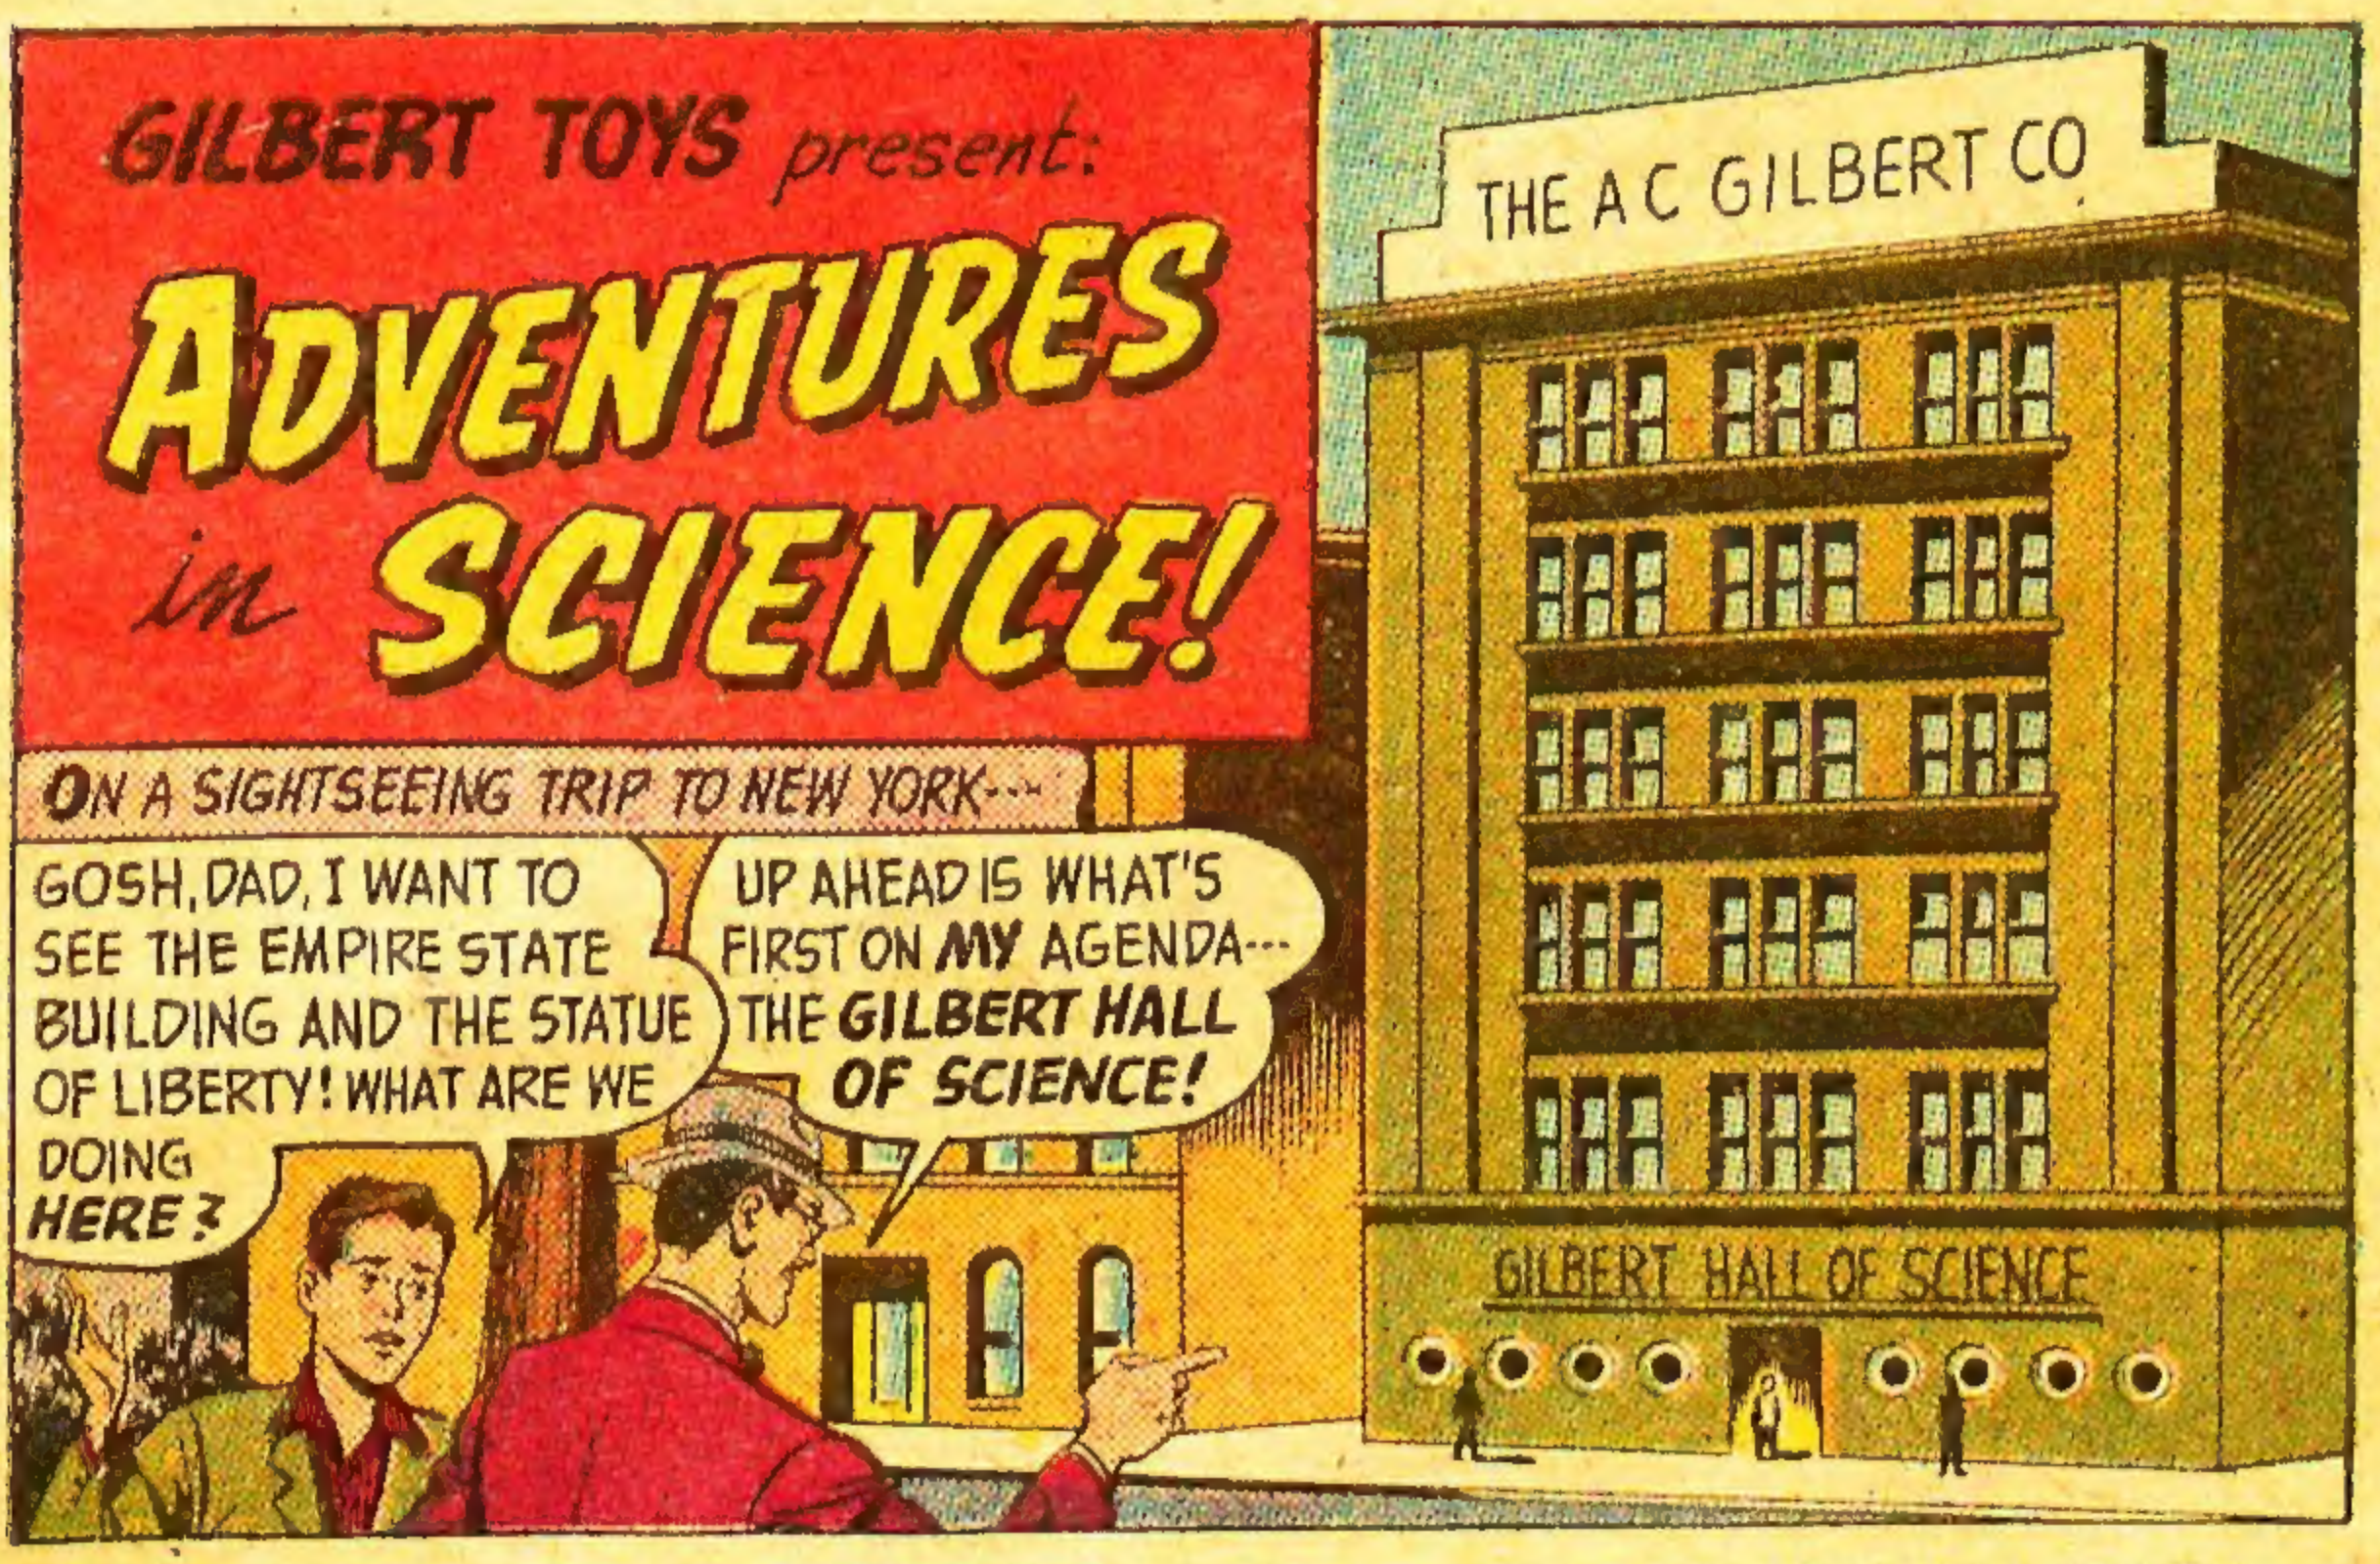
Such a set can, indeed, be a stepping stone to a great future for you. Don't let the opportunity pass of seeing what a Gilbert Erector, Chemistry or other Science Set can do for <u>you</u>. Visit your Gilbert dealer as soon as <u>you</u> can.

Your friend,

A. C. Gilbert

GILBERT TOYS *present:*

ADVENTURES *in* SCIENCE!



ON A SIGHTSEEING TRIP TO NEW YORK---
GOSH, DAD, I WANT TO SEE THE EMPIRE STATE BUILDING AND THE STATUE OF LIBERTY! WHAT ARE WE DOING HERE?
UP AHEAD IS WHAT'S FIRST ON MY AGENDA--- THE GILBERT HALL OF SCIENCE!
THE A C GILBERT CO.
GILBERT HALL OF SCIENCE

AWW, THIS STUFF IS SO BORING! THERE'S NO FUN IN SCIENCE!
THERE IS TO ME! IT WAS A GILBERT ERECTOR SET I GOT AS A KID THAT STARTED ME OFF ON AN ENGINEERING CAREER! COME ON --- LET'S GO IN!

INSIDE, MR. ADAMS WENT FROM EXHIBIT TO EXHIBIT, FASCINATED BY EVERYTHING ---

GUESS DAD'S JUST NOT THE ADVENTUROUS TYPE---LIKE ME! I WANT TO BE SOMETHING LIKE A SPACE EXPLORER WHEN I GROW UP---OR MAYBE A DETECTIVE---ANYTHING THAT'S REALLY EXCITING!

©1958 by the A.C. GILBERT Co., New Haven, Conn.

WOW! THIS IS EVEN BETTER THAN I THOUGHT··· IT'S SOMETHING I WOULDN'T MISS FOR THE WORLD!

IT'S ALL PRETTY DULL TO ME, DAD!

LISTEN, BUD, WHY DON'T YOU LOOK AROUND BY YOURSELF? I WANT TO STUDY SOME OF THESE EXHIBITS CLOSELY···AND YOU'RE A WET BLANKET!

SINCE YOU'RE NOT AS INTERESTED AS I AM, WE CAN MEET AT THE ENTRANCE IN A HALF HOUR! IT'S EXACTLY TWO O'CLOCK NOW···OKAY?

YEAH··· I GUESS SO···

BOY, I WISH I WERE AT A GOOD MOVIE RIGHT NOW --- WATCHING A TRIP TO THE MOON OR SOMETHING!

EXCUSE ME!

I COULDN'T HELP OVERHEARING YOU AND YOUR FATHER! **SCIENCE** IS MORE INTERESTING THAN YOU **THINK**, YOUNG MAN!

MAYBE SO, MISTER, BUT WHERE'S THE **ADVENTURE** IN IT?

I WANT TO BE AN **EXPLORER** SOME DAY, MAYBE TRAVEL IN ROCKET SHIPS! I LIKE MYSTERIES AND DETECTIVE STORIES···

I SEE! ···MIND COMING WITH ME? I'D LIKE TO **SHOW** YOU SOMETHING!

GILBERT

MICROSCOPE

featuring PARFOCALIZED RAMSDEN TYPE EYEPIECES...

· 60 · 150 · 200

455-POWER

THE STRANGER LED BUD INTO A SMALL ROOM NEARBY···

THAT'S A **GILBERT TELESCOPE**, SON! HAVE A LOOK!

HEY! HOW COME THE **MOON** IS OUT ALL OF A SUDDEN? IT'S ONLY TWO O'CLOCK IN THE AFTERNOON!

NEVER MIND THAT! LOOK THROUGH THE TELESCOPE AND TELL ME WHAT YOU SEE!

SAY, IT'S GETTING **BIGGER!** IT'S PRACTICALLY **ON TOP** OF ME! WH- WHAT'S **HAPPENING?**

WOW! THE MOON LOOKS AS BIG AS A HOUSE!

IT OUGHT TO! THAT TELESCOPE MAGNIFIES **40 TIMES!** IN A SENSE, YOU'RE A **SPACE EXPLORER** RIGHT NOW!

"Travel" Through Space

....with a GILBERT®

TELESCOPE

40 POWER • REFLECTING LENSES • PROFESSIONAL DESIGN

See a close-up of the moon and its craters . . . observe Saturn and its rings . . . view Mars and Jupiter. Reflecting lenses permit viewing any part of the sky without squatting or stooping. Illustrated booklet about astronomy included.

NEXT MOMENT---

H-HOW DID WE GET **HERE**? AM I **DREAMING** THIS?

NEVER MIND HOW WE GOT HERE---I'LL EXPLAIN THAT LATER! LOOK AROUND, SON ---YOU'LL FIND IT **FASCINATING!**

GOSH, THERE'S NOTHING I'D RATHER DO, MR.--MR.--SAY, WHO **ARE** YOU?

FOR THE TIME BEING, LET'S JUST CALL ME---**MR. SCIENCE!** NOW, LET'S INVESTIGATE OUR SURROUNDINGS!

BUT WITHIN INSTANTS---

BRRR! I-I'M F-F-FREEZING! T-T-TAKE M-M-ME B-B-B-BACK!

PERHAPS I'D BETTER! YOU SEE, NOTHING CAN REALLY LIVE UP HERE! AT NIGHT, THE TEMPERATURE DROPS TO **250 DEGREES BELOW ZERO!**

AND IN DAYTIME, IT GOES UP TO **215 DEGREES FAHRENHEIT**, HOT ENOUGH TO BOIL WATER---IF THERE WERE ANY WATER UP HERE! LET'S HEAD BACK!

IN A FLASH---

GOOD GRAVY! WE'RE **BACK!**

RIGHT! AND WITH THAT **GILBERT TELE-SCOPE**, YOU CAN BE A SPACE TRAVELER **WITH-OUT** A ROCKET SHIP!

WITH THIS, YOU CAN STUDY THE MOON, THE PLANETS AND STARS RIGHT FROM YOUR OWN HOME, WITHOUT FREEZING OR BOILING TO DEATH!

SAY, I ... I'D LIKE TO KNOW MORE ABOUT ALL THIS!

A LOOK OF INTENSE INTEREST FLICKERED IN THE BOY'S INTELLIGENT EYES...

YOU'RE INTERESTED IN ADVENTURE, DETECTION AND MYSTERY... BUT DID YOU KNOW THAT **SCIENCE** HAS BEEN MAN'S GREATEST ADVENTURE, AND THAT THE GREATEST DETECTIVES IN THE WORLD HAVE BEEN **SCIENTISTS?**

I...I DON'T UNDERSTAND...

I HAVE HERE A **GILBERT CHEMICAL SET!** I'D LIKE TO PERFORM A SIMPLE EXPERIMENT... WITH COMMON SALT!

OKAY, I'M WATCHING...

NO MATTER HOW FINE A POWDER I MAKE OF THIS SALT, YOU CAN STILL EASILY SEE THE PARTICLES... CORRECT?

SURE, BUT SO WHAT?

NOW, AS I DROP THE SALT INTO THE WATER, THE PARTICLES ***DISAPPEAR!*** WHERE HAVE THEY GONE? DOES THE WATER HAVE ***HOLES*** IN IT?

GEE, I-I NEVER THOUGHT OF THAT!

IF THE WATER ***DIDN'T*** HAVE HOLES IN IT, YOU'D STILL BE ABLE TO SEE THE SALT! NOW I'M GOING TO BOIL THE WATER AWAY!

OVER THE HOT FLAME OF THE BUNSEN BURNER, THE WATER SOON VANISHED---

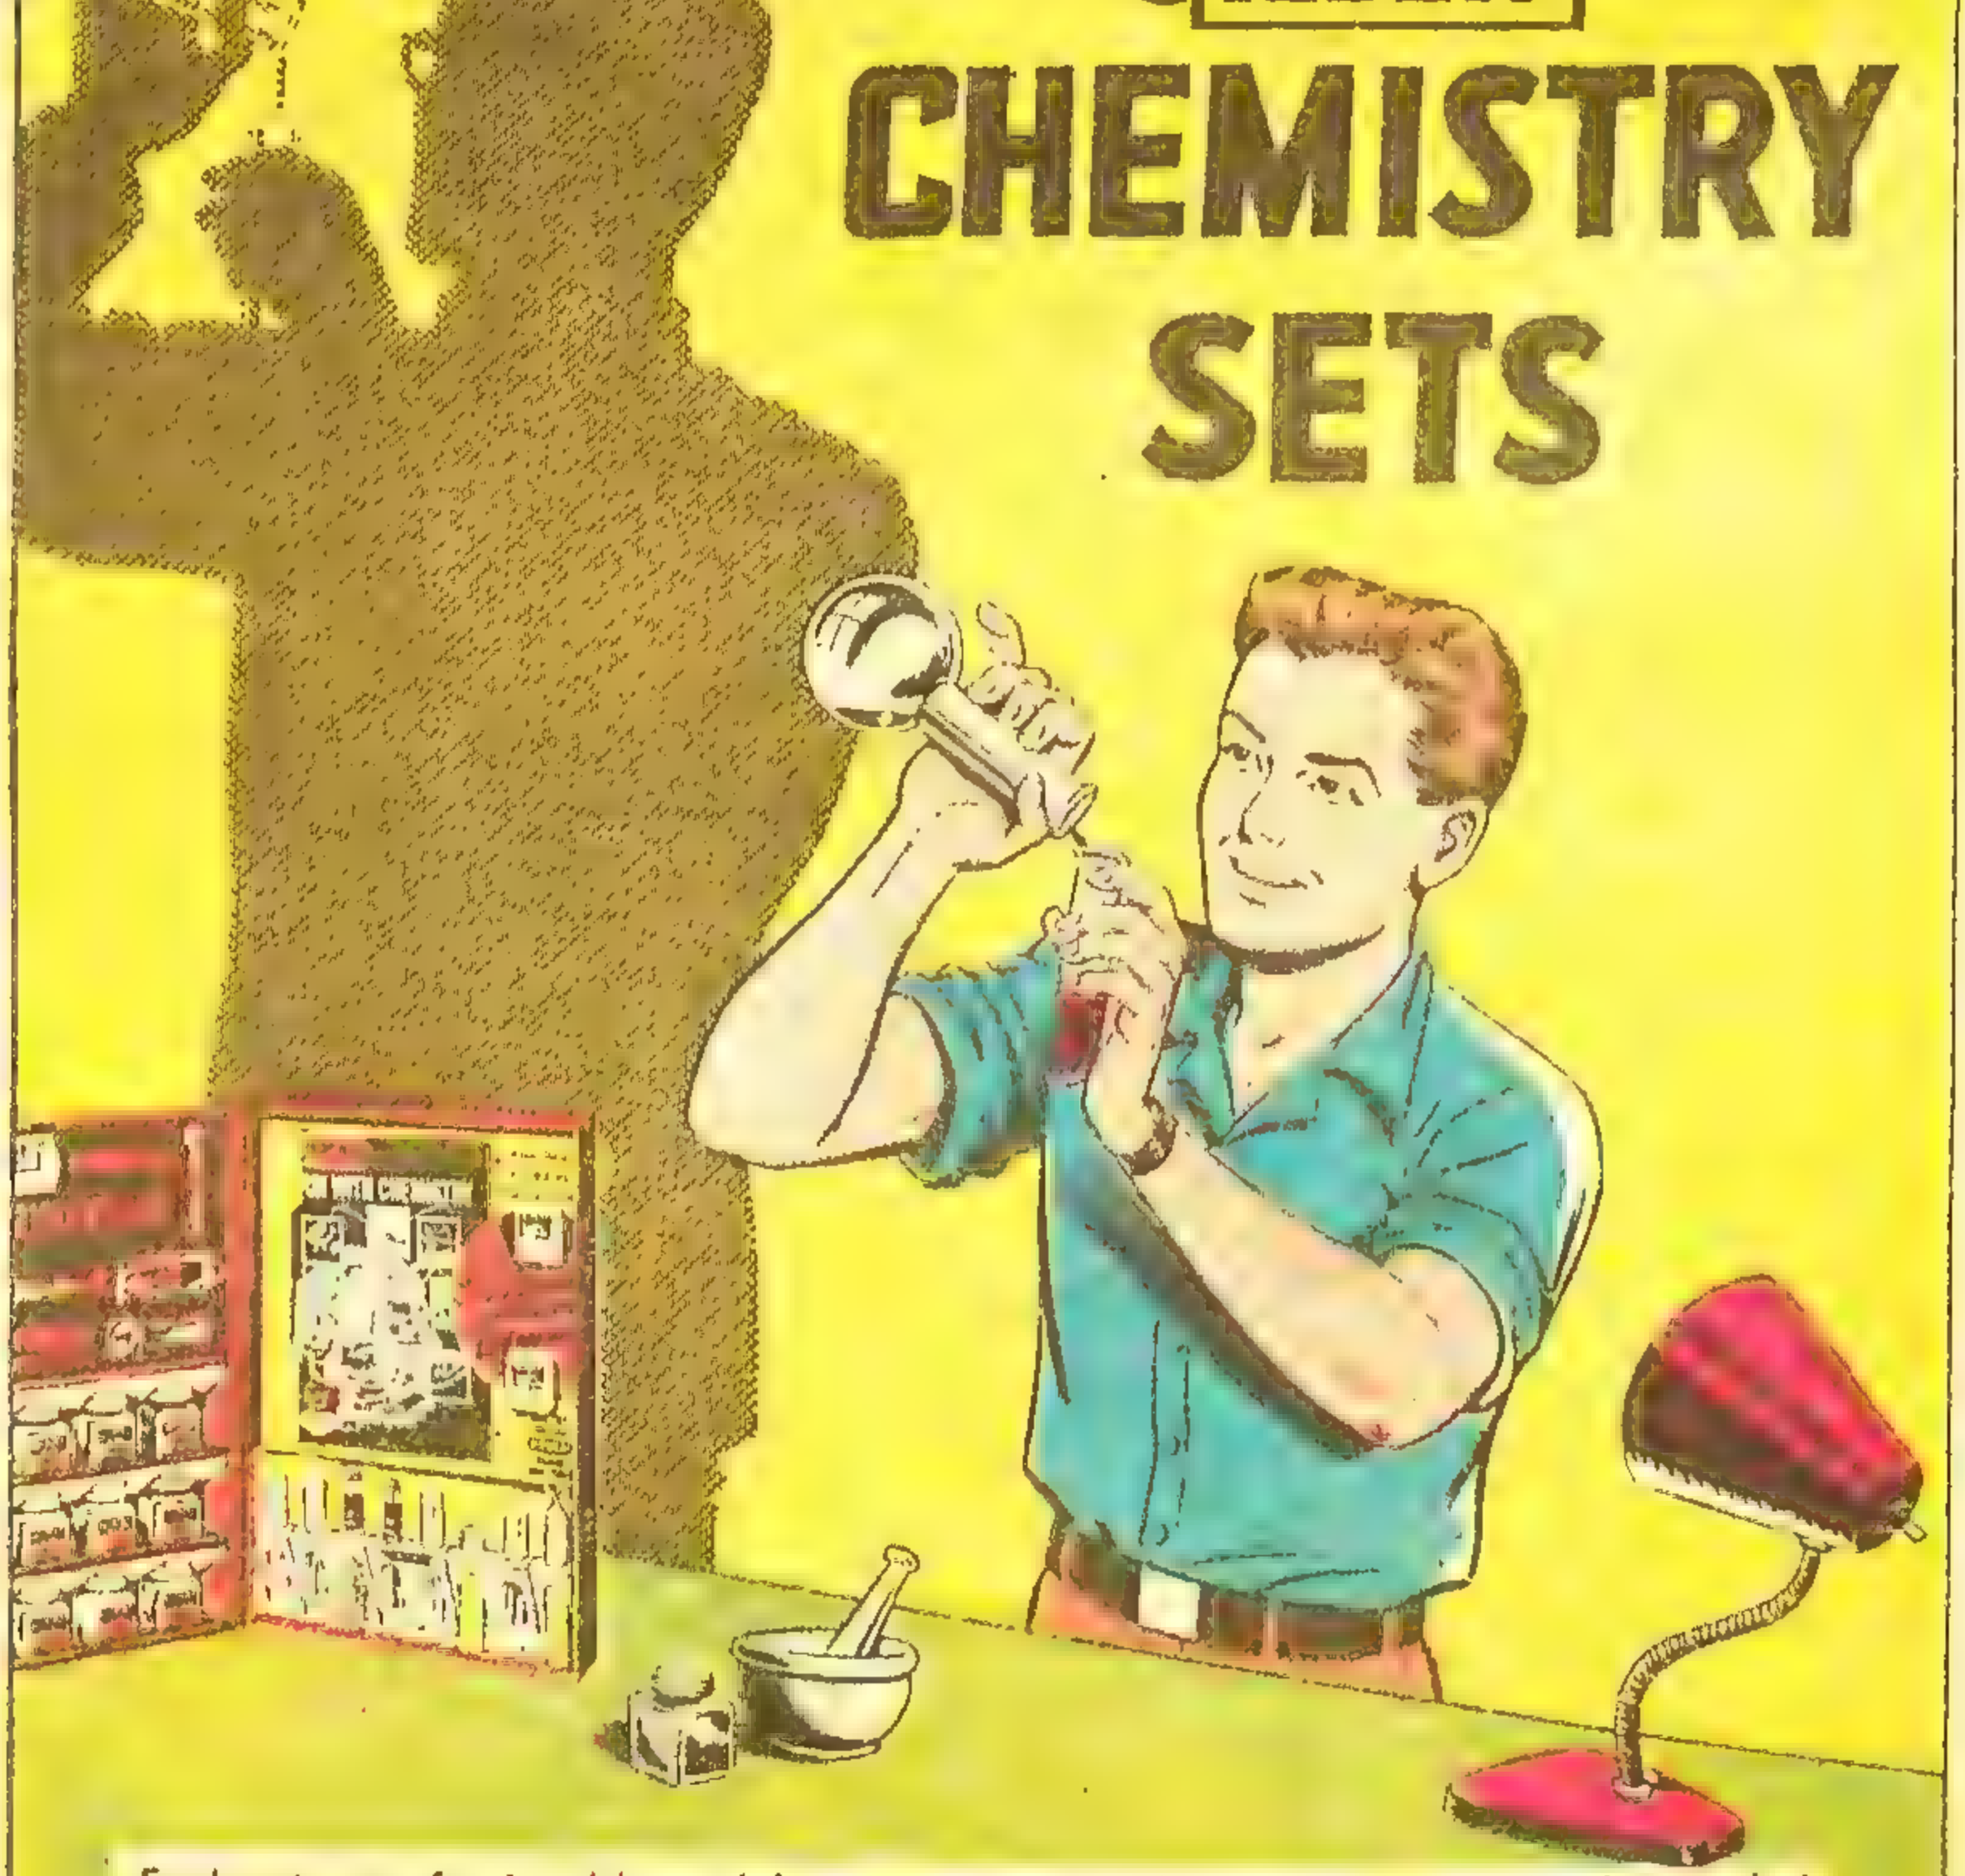
JEEPERS, NOW I CAN SEE THE SALT AGAIN!

BUT NOW WHERE HAS THE ***WATER*** GONE TO? DOES THIS MEAN THAT THE ***AIR*** HAS HOLES IN IT?

for the Scientist of Tomorrow

GILBERT

CHEMISTRY SETS



Each set a professional home laboratory; most of them in steel hinged cabinets that stand upright with "place-for-everything" racks and shelves. Ample assortment of chemicals and apparatus for hundreds of experiments in fields of crime detection, plastics, hydroponics, atomic energy and many others. See your Gilbert dealer.

BUD'S EYES WERE WIDE WITH WONDER···

IF WATER CAN BE CHANGED INTO A VAPOR, WHY CAN'T A STONE BE TURNED INTO IRON?

WELL, WHY CAN'T IT?

DOWN THE COURSE OF CENTURIES, THOUSANDS OF SCIENTISTS HAVE BEEN TRYING TO DO JUST THAT! IF YOU COULD TURN ORDINARY METALS INTO **GOLD**, YOU COULD BE A MILLIONAIRE!

GAZE INTO THE FLAME, BUD! WE'RE GOING ON ANOTHER JOURNEY--- INTO THE LONG DISTANT **PAST!**

HUH? WHAT DO YOU MEAN?

NEXT INSTANT, THE FLAME SPURTED HIGH···

WHOOOOOSH!!

IN A FLASH, THE CENTURIES ROLLED BACK···

HEY! WHAT IN THE···?

SHHH! THE ALCHEMIST IS ABOUT TO PERFORM AN EXPERIMENT!

FAILURE···ALWAYS *FAILURE!* BUT SOME DAY, I'LL TURN LEAD INTO *GOLD!* ONE THING I'M SURE OF···ONE SUBSTANCE CAN BE TRANSMUTED INTO ANOTHER! SUPPOSE I ADD SOME SULPHUR TO THIS MIXTURE···

TOO MUCH!··· COFF! COFF!

I···I CAN'T BREATHE! GET ME OUT OF HERE!

BOY, AM I GLAD TO BE BACK HERE! GOSH, MR. SCIENCE, I'VE GOT A MILLION QUESTIONS TO ASK YOU!

NOT NOW! I WANT TO SHOW YOU HOW SUCH **DETECTIVE WORK** IN SCIENCE CONTINUED!

AGAIN THE FLAME LEAPED HIGH···

DOWN THE AGES, MEN HAVE TRIED TO LEARM THE **TRUE NATURE** OF JHINGS! WE'RE GOING BACK··· **BACK···**

WOW! WE SURE GET PLACES FAST! WHERE ARE WE **NOW?**

IN THE LABORATORY OF THE FATHER OF MODERN CHEMISTRY···THE GREAT **ANTOINE LAVOISIER!** WE'RE IN FRANCE···IN THE **1770's!**

WATCH CLOSELY! WITH THAT CRUDE EQUIPMENT, LAVOISIER IS ABOUT TO PROVE THAT WATER ACTUALLY CONSISTS OF TWO **GASES!**

GOSH, I DIDN'T KNOW THAT!

ASTOUNDING! **OXYGEN** AND **HYDROGEN** PRODUCE DROPS OF **WATER!** THIS PROVES WATER ISN'T AN ELEMENT, BUT A **COMPOUND!**

SO YOU SEE, BUD, IT TOOK A LONG TIME TO LEARN THAT THINGS AREN'T ALWAYS WHAT THEY **LOOK** LIKE!

ONCE AGAIN IN THE **GILBERT HALL OF SCIENCE**...

DID YOU KNOW THAT EVERYTHING IS COMPOSED OF MINUTE PARTICLES CALLED **ATOMS**, MUCH TOO SMALL FOR THE NAKED EYE TO SEE? IN ORDER TO EXAMINE THIS INCREDIBLY TINY WORLD, THE **MICROSCOPE** HAD TO BE INVENTED!

NOW, BUD, I WANT YOU TO LOOK INTO THAT FINE **GILBERT MICROSCOPE!** YOU'LL BE LOOKING AT A CROSS-SECTION OF A PLANT!

OKAY!

IT...IT'S SO **BIG!** AND IT SEEMS TO BE GETTING BIGGER EVERY SECOND! WHAT'S **HAPPENING?**

YOU'LL FIND OUT!

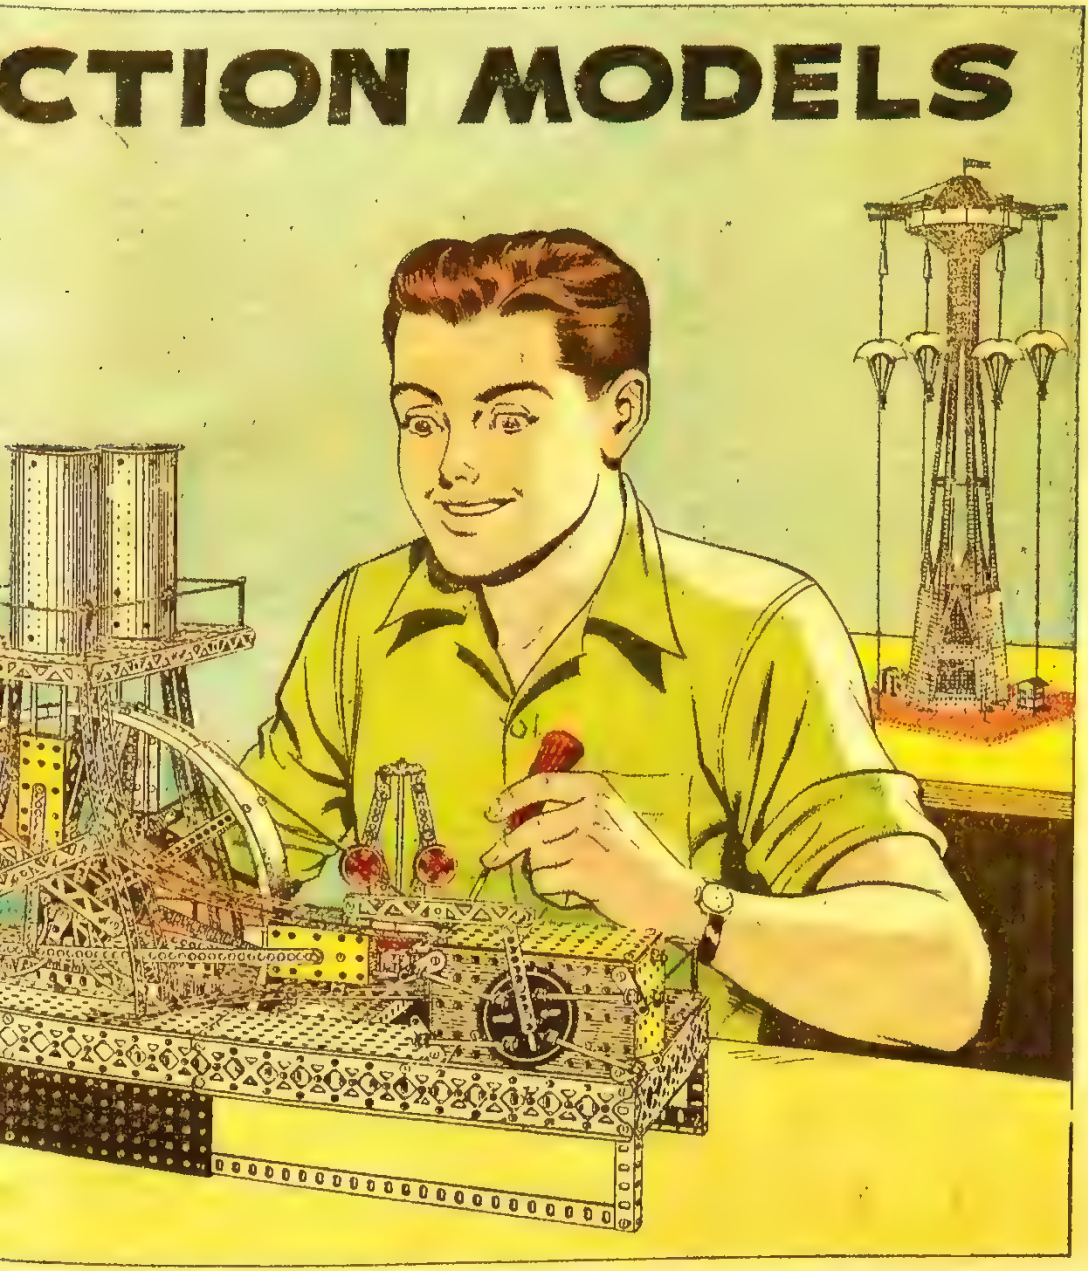
Build GIANT A

with your

ERECTOR® SET

No wonder it's been America's greatest construction set for nearly 50 years! With its gleaming all-steel girders, gears, wheels, pinions and other parts, each Erector set makes literally hundreds of fascinating models. Cranes, Hoists, Jet Aircraft, Space Stations, Texas Towers . . . these and many more you build yourself. Loads of fun . . . and constructive, too!

CTION MODELS



A SPLIT-INSTANT LATER---

JEEPERS! IS ALL THIS--- **REAL?**

WE'RE STANDING ON THE CROSS-SECTION OF THE PLANT! LOOK AROUND, BUD, SEE WHAT A **PLANT CELL** IS LIKE CLOSE UP!

I--- I'VE GOT SO MANY QUESTIONS, I DON'T KNOW WHERE TO START! WHAT ARE THE NAMES OF ALL THESE PARTS? AND--- JUST WHAT **IS** A CELL?

AH, I SEE YOUR CURIOSITY IS AROUSED! GOOD, FOR, THERE'S A TREMENDOUS AMOUNT OF EXPLORATION TO BE DONE IN THIS TINY WORLD!

DOWN HERE ARE UNTOLD SECRETS OF NATURE, THE MYSTERY OF LIKE ITSELF! BUT DON'T THINK THE **MICROSCOPE** POPPED UP OUT OF THIN AIR! IT TOOK A GREAT **SCIENTIFIC DETECTIVE** TO BUILD ONE!

A MOMENT LATER, AND THEY WERE IN THE WORKSHOP OF **ANTONY VAN LEEUWENHOEK** (1632-1723)...

LEEUWENHOEK WAS A GREAT PIONEER IN MICROSCOPE MAKING! HE'S ABOUT TO SEE SOMETHING NO MAN EVER SAW BEFORE ...**BACTERIA!**

GOLLY!

I...I CAN'T **BELIEVE** IT! I SEE **LIVING CREATURES**...**MILLIONS** OF THEM! I...I'VE DISCOVERED A **WHOLE NEW WORLD!**

YOU'VE JUST WITNESSED A GREAT MOMENT IN SCIENCE! AND THE **GILBERT MICROSCOPE** YOU LOOKED THROUGH IS FAR BETTER THAN ANYTHING LEEUWENHOEK EVER HAD!

HEY! WHAT'S GOING ON? EVERYTHING IS ... **FADING!**

See the Exciting Secrets of Nature...

GILBERT®

MICROSCOPE SET

The fascinating and invisible (to the naked eye) world of Nature is yours to see, with a Gilbert precision lens Microscope with powers up to 650 magnification! Each set a complete lab, with specimens and slides; most have stains and chemicals for micro-chem experiments. You even hatch tiny eggs into live, swimming shrimp in 24 hours! Ask your Gilbert dealer to show you the big Microscope Set array.

THE SCENE GREW DIM, AND THEN···

WHEW! YOU'RE SURE FULL OF TRICKS! MY HEAD'S BUZZING WITH QUESTIONS ABOUT SOLIDS, LIQUIDS AND GASES! AND SAY···JUST WHAT **IS** AN ATOM?

I'D RATHER NOT ANSWER ANY QUESTIONS JUST NOW! I WISH TO **DEMONSTRATE** SOMETHING!

USING A **GILBERT ELECTRICITY SET**···

THERE! I'VE CREATED A SPARK OF **ELECTRICITY!** DO YOU KNOW WHAT ELECTRICITY IS ---THAT IT'S AROUND YOU AT ALL TIMES?

NO··· I··· I DIDN'T KNOW ANY-THING OF THE SORT!

CRACKLE!

A HUGE SPARK LEAPED BETWEEN THE TWO WIRES, CRACKLED LOUDLY, AND···

BOY, YOU SURE LIKE TO TRAVEL! WHERE ARE WE **NOW?**

BACK IN 1792··· WE'RE COLONIALS! THAT MAN FLYING THE KITE IS NONE OTHER THAN **BEN FRANKLIN**···PERFORMING ONE OF THE **MOST FAMOUS EXPERIMENTS IN HISTORY!**

CRASH!

BEN FRANKLIN IS PROVING THAT **LIGHTNING** IS COMPOSED OF **ELECTRICITY!** HE'S INSULATED THE TWINE WITH A SILK RIBBON---AND HE'S HOPING THAT THE KITE WILL CARRY THE ELECTRICITY IN THE CLOUDS DOWN THE TWINE AND CHARGE THAT METAL KEY!

I **DID** IT! LIGHTNING AND ELECTRICITY ARE THE **SAME THING!**

THERE YOU SEE HOW AN INVENTIVE MIND CAN PERFORM MAGNIFICENT EXPERIMENTS---WITH SIMPLE EQUIPMENT!

CRACKLE!

AS A SPARK JUMPED FROM BEN FRANKLIN'S IMMORTAL KEY---

CR-RACK!

...BUD FOUND HIMSELF BACK IN THE **PRESENT!**

STRANGE HOW I NEVER THOUGHT ABOUT THIS STUFF BEFORE! IT'S SO... **INTERESTING!**

FASCINATING! ELECTRICITY IS STILL VERY MYSTERIOUS TO SCIENTISTS ...BUT WE KNOW THAT IT'S THE BINDING FORCE OF THE **UNIVERSE!**

CR-RACK!

JUST THEN, BUD'S EYES FELL ON AN **ERECTOR SET...**

YOU KNOW, MY DAD TOLD ME ONE OF THESE STARTED HIM ON AN ENGINEERING CAREER!

YES, THE **ERECTOR SET** IS ONE OF THE GREATEST SCIENTIFIC TOYS EVER DEVISED! LET ME SHOW YOU SOMETHING...

IF I LAY A PIECE OF PAPER ACROSS TWO GLASSES AND PUT A PENCIL ON IT, THE PAPER COLLAPSES! IT'S TOO WEAK TO SUPPORT THE PENCIL'S WEIGHT!

BUT IF I FOLD THE PAPER A FEW TIMES, IT EASILY HOLDS THE PENCIL! THAT'S THE GIRDER PRINCIPLE OF **ERECTOR SET CONSTRUCTION!**

KA-POW!

SAY, WHAT'S THAT EXPLOSION?

discover the

Miracle of Electricity...

If you love to tinker, to find out what makes electricity behave as it does, then this fascinating set is for you. Basic equipment shows whys and wherefores of electricity and includes rheostat, telegraph system, 2 solenoid coils, electric bell, 1½ volt motor, etc. See your Gilbert dealer for complete information.

with a GILBERT®

FUN WITH ELECTRICITY SET

GOSH! WHERE ARE WE *NOW*?

KAPOW!

BOOM!

WE'RE BACK IN *WORLD WAR II!* LOOK AT THE RIVER! DO YOU KNOW WHAT'S HAPPENING?

THOSE AMERICAN ARMY ENGINEERS ARE THROWING A *BAILEY BRIDGE* ACROSS! THAT FABULOUS BRIDGE IS CONSTRUCTED ON THE PRINCIPLES OF THE *ERECTOR SET!*

POW!

CRASH!

YES, THE BRIDGE HAS NUMBERED PARTS WHICH CAN BE PUT TOGETHER SIMPLY···A REAL ADVANCE IN THE SCIENCE OF CONSTRUCTION AND VERY IMPORTANT IN THE WINNING OF THE WAR!

YOU SEE? IT'S ALMOST DONE--- AND RIGHT UNDER ENEMY FIRE!

DUCK! A SHELL IS COMING DOWN!

EEEE EEE!

BA-ROOM!

THE EXPLOSION MERELY TRANSPORTED THEM BACK...

YES, A GREAT SCIENTIFIC TOY! WITH AN **ERECTOR SET**, YOU CAN STUDY THE WHOLE HISTORY OF ARCHITECTURE AND ENGINEERING, PERHAPS DEVISE ENTIRELY NEW METHODS OF BUILDING YOURSELF! SHALL WE CONTINUE YOUR EDUCATION?

YOU BET!

AND SO A FASCINATING NEW WORLD OPENED UP FOR BUD ADAMS! HE LEARNED HOW **CHROMATOGRAPHY** IS USED IN POLICE WORK, HOW TO BLOW GLASS, ANALYZE COLORS ···

THEN, AT LAST, THEY ENTERED THE UNIVERSE OF **ATOMIC PHYSICS** ···

WHY'D YOU GIVE ME THIS?

IT'S A **SPINTHARISCOPE!** THROUGH IT YOU'LL BE ABLE TO SEE THE FLASH OF **RADIOACTIVE PARTICLES!**

GEE, I SEE TINY GREENISH FLASHES!

GOOD, WE'RE NOW ON THE THRESHOLD OF WHAT THE ALCHEMISTS SO LONG SOUGHT FOR IN VAIN···THE **TRANSMUTATION OF MATTER!** NOW···**WE'RE GOING ON OUR LAST TRIP!**

THE DESERT FLATS OF NEW MEXICO...

BA-ROOOOOM!

IT'S THE FIRST ATOMIC EXPLOSION, BUD...**1945!** SCIENCE HAS REACHED ONE OF ITS GREAT MOMENTS ...FOR ***MATTER*** HAS BEEN ***TRANSMUTED INTO ENERGY!*** THIS PROVES THAT THE FUNDAMENTAL BUILDING BLOCKS OF NATURE ARE THE SAME ...THAT ONE ELEMENT CAN BE CHANGED INTO ANOTHER!

GOSH!

BUD WAS STILL ASTOUNDED WHEN HE FOUND HIMSELF BACK IN THE **GILBERT HALL OF SCIENCE**...

YOU...YOU MEAN THAT YOU COULD TURN A PLATE OF SPINACH INTO AN ...ICE CREAM CONE?

IN ***THEORY***, YES!

MR. SCIENCE STRETCHED OUT HIS HAND, AND...

A PLATE OF SPINACH ...OUT OF THIN AIR!

POP!

OOO

HUH! NOW THE SPINACH IS GONE AND I'M HOLDING AN ICE CREAM CONE!

POP!

H.- HOW'D YOU DO THAT? WHO ARE YOU, ANYWAY?

I'M A FRIEND, SON ...ONE OF THE BEST FRIENDS HUMANITY HAS!

THE VOICE TRAILED OFF, AND SUDDENLY---

HEY, WAIT! WHERE ARE YOU GOING? NO --- COME BACK!

GOODBYE, MY YOUNG FRIEND--- GOODBYE---

THE BOY BLINKED, BLINKED AGAIN, AWESTRUCK---

I... I CAN'T SEE HIM ANY MORE! HE--HE'S GONE!

BUD! WHAT'S WRONG, SON?

WHAT'S THE ***MATTER*** WITH YOU? YOU'VE BEEN STARING OFF INTO SPACE LIKE YOU WERE ASLEEP!

HUH?

WH···WHAT TIME IS IT, DAD?

TWO MINUTES PAST TWO O'CLOCK! LISTEN, SON, I STILL HAVEN'T HAD A REAL CHANCE TO LOOK AROUND!

TWO MINUTES PAST TWO! IT ALL HAPPENED IN JUST ***TWO MINUTES!*** WAS IT ALL A···***DREAM?*** NO, IT COULDN'T HAVE BEEN···IT WAS TOO REAL!

SAY, WHERE'D YOU GET THAT ICE CREAM CONE? IT'S MELTING!

HOLY COW! THIS PROVES EVERYTHING ***WAS*** REAL!

LOOK, BUD, YOU'RE ACTING VERY STRANGELY···

IF YOU'RE REALLY SO BORED... WELL ... I GUESS WE CAN LEAVE...

NO, DAD ... ***NO!*** I... I WANT TO LOOK AROUND! I WANT TO SEE ***EVERY-THING!***

THINK YOU COULD SEE YOUR WAY CLEAR TO BUYING SOME OF THESE SETS? HOW ABOUT A MICROSCOPE OR ERECTOR SET AS A STARTER?

YOU...YOU REALLY ***MEAN*** IT? WHY, SON, NOTHING WOULD PLEASE ME MORE!

AS THEY HURRIED TO THE SALES COUNTER...

WAIT A SECOND, DAD! THAT PICTURE ... ***WHO IS IT?***

WHY, THAT'S ***ARISTOTLE!*** HE LIVED THOUSANDS OF YEARS AGO ... ONE OF THE GREATEST MINDS EVER! HE'S CONSIDERED THE ***FATHER OF SCIENCE!***

HE···HE'S GOT THE SAME FACE AS ···MR. SCIENCE!

HE WAS A GENIUS, SON··· A TRULY GREAT GENIUS!

YOU'VE GOT A FUNNY EXPRESSION ON YOUR FACE, BUD! ANYTHING WRONG?

NO··· EVERYTHING'S FINE···JUST FINE!

AND SO FATHER AND SON TOURED THE GREAT GILBERT HALL OF SCIENCE TOGETHER··· AN ENGINEER AND A YOUNG SCIENTIST IN THE MAKING! AND WHO CAN TELL? YOUNG BUD MAY WIN A NOBEL PRIZE SOME DAY, PERHAPS BECOME A MAN TO CHANGE THE COURSE OF HISTORY···

THE END!
